

YBC COVID-19 PROCEDURES: MEMBERS/RENTERS/SLIP TENANTS

THE HEALTH AND SAFETY OF OUR STAFF AND GUESTS IS OUR #1 PRIORITY.

Operation Instructions:

***PLEASE READ THOROUGHLY AND FOLLOW FOR THE SAFETY OF ALL. WE RESERVE THE RIGHT TO REFUSE SERVICE IF THESE ARE NOT FOLLOWED.**

ARRIVAL

It is your responsibility to maintain social distancing in the parking lots as well as on the way to our queue stations.

Current state order allows persons living in the same household to boat together. YBC highly encourages members/renters to follow these instructions provided by the state. Ideally groups will arrive together in one car where they can wait for staff assistance/signaling.

DO NOT come onto a dock or boat unless instructed by a staff member and please enter through queue lines only. Please be patient when waiting for a boat and instruction.

CART:

You are responsible for taking the cart, loading up your personal items, and unloading them into the boat. Dock staff is only responsible for sanitizing the carts after use.

TUBES:

You must bring your own tube, compressor, and rope. YBC **WILL NOT BE PROVIDING THESE**. If you do, you must fill up your tube in the boat once you've been given permission to get in once you've left the marina. Tube must be deflated and packed up **BEFORE** returning to the marina and leaving.

LIFE VESTS:

You **MUST** bring your own for **ANY CHILD 10 OR UNDER**. Similarly, we **HIGHLY** encourage all adults to bring and wear their own lifevest. YBC has orange lifevests required by law. If these are used, please leave visible inside the boat and we will replaced with sanitized ones after use.

DOCK ETIQUETTE

If other customers/slip tenants are leaving dock as staff and new arrivals are entering dock, *the persons leaving the dock will have the right of way*. Staff and new arrivals will step to the side towards the end of the first open finger. YBC will also educate dock owners and private slip tenants of these procedures and encourage them to oblige.

RETURNING

All customers will be **REQUIRED** to text/call their location number at least 10 minutes before returning to the dock.

Upon returning to the dock, customers must wait to enter slip until dock staff waves them in. If there is a line or other boats, please wait for instruction from staff.

Customers will not be allowed to return to the dock multiple times per outing - only if *absolutely necessary*.

Customers will not be granted access into any Your Boat Club offices unless deemed *absolutely necessary* by staff.

Restrooms will be available to guests if *absolutely necessary*.

All customers are required to take all trash/recycling from their outing on the water with them upon their departure.

THANK YOU FOR YOUR COOPERATION!

YOUR BOAT CLUB
